Please log in and review each individual link to ensure you complete the correct requirements and that you understand your obligation as a UniSC student.

Important Mandatory Requirements Information and Timelines

- The Fit For Placement Office will send out communications to groups *6-8 weeks prior to their course start date*.
- *First-year students* will receive communication *approximately 7 months before the placement block starts*.
- Students will receive a *Reminder email* from the Fit For Placement Office *approximately 2 weeks before the due date for mandatory requirements*.
- *Failure to submit your mandatories by the due date* will prompt an email indicating your *placement is at risk*.

Site Specific Pre-Placement Requirements:

- In addition, Some placement host organisations may require students to complete site-specific requirements and training modules, which can be accessed through the Placements tab on Sonia Online.
- Approximately 3 weeks before students start their placement, those allocated to a **Queensland Health & Hospital Site (HHS)** will receive further communication from Fit For Placement Office regarding their Student Orientation Checklist, Deed Poll and iLearn modules along with step-by-step instructions.
- Students allocated to **Queensland Health** sites will receive additional communication from Fit for Placement Office about completing their pre-placement site-specific requirements.
- Please note that some placement host organisations **may still require COVID-19 vaccinations**. If you are not fully vaccinated, it is important to know that placement opportunities in this program may be limited.
